Misty Mountain Quilters' Guild TU 692 Appreciation Night

Our normal fly tying session will close up early this month so that we can all enjoy some delicious food compliments of the ladies from Misty Mountain Quilters' Guild. The guild ladies are sharing their home cooking with us as a way of showing their appreciation for the contributions we have made (and are continuing to make) for Quilts of Valor.

Bring your appetite to the meeting and taste some fine Southern faire! So that we can socialize with the ladies, the education program will be delayed until 7:15 pm with a short business meeting to follow.

Small Streams Fishing Classes

In case you missed reading it in the Forum, our small streams *Guru*, Steve Banakas, posted the following:

"I think we're about to get into some pretty good weather for fishing...finally. I wanted to just remind those of you that are interested in learning to fish the beautiful, small, mountain streams that there's no better time to learn than right now. You get two days on the water, and the club gets \$80.00 for the cost of the course. Give me a call or send me an e-mail and we'll get started. I'm looking forward to hearing from y'all. It's easy: pick up the phone and call, or send me an e-mail. You'll see some places that you didn't even know were out there!"
